

Polycarbonate Bulkhead

BKH64_ has been designed for general lighting applications. Robust structure of IP65 and IK10 makes it suitable for multiple locations and applications both Bulkhead or ceiling light applications.

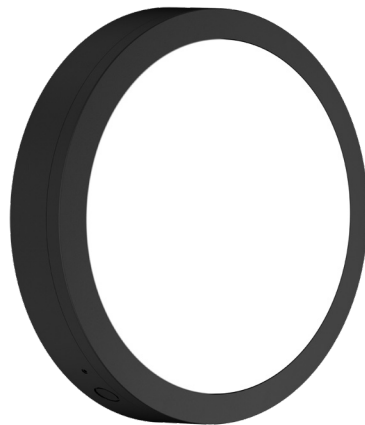

Integrate high lumen SMD LED technology resulting in 100lm/W.

Polycarbonate material results in lighter weight finished material to ensure better heat resistance and corrosion resistance.

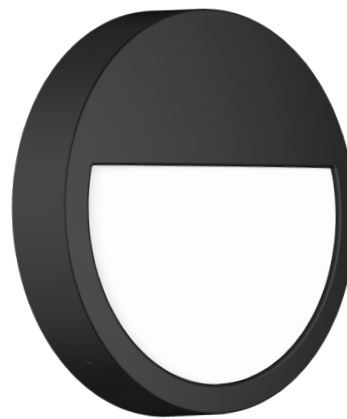

Eyelid accessory (BKH642E) available which will clip onto BKH642.

BKH641
12W

BKH642
18W

BKH642 + BKH642E
18W

SKU Code	BKH641	BKH642	BKH642E
Input	100-240V		
Wattage	12W	18W	
Lumen	1,000 - 1,200	1,580 - 1,850	
Dimensions	O: 200mm, P: 60mm		O: 275mm, P: 60mm
Weight	0.48KG	0.85KG	
Dimmable	No		
CRI	80+		
Driver	Integral		
Colour Temp	3CCT 3,000, 4,000, 5,700K		
Warranty	3 years		
IK	IK10		
Beam Angle	110°		
PFC	>0.90		
Material	PC, Black RAL 9005		
IP	IP65		
Life	50,000hr L70B50
