

Tilt 6W 3CCT Matt Black or Matt White

Engineered for performance in a minimal form, this 6W downlight delivers 350 lumens of light with a CRI of 90+, ensuring accurate colour rendering in any setting.

Offering selectable colour temperatures of 2700K, 3000K, and 4000K, it adapts seamlessly to both residential and commercial environments.

The 36° beam angle ensures focused illumination, while a UGR <20 rating supports comfortable visual conditions. Fully dimmable and IC-F/IC-4 rated for safety, it includes a 230V driver.

Matte White (MW) and Black (BK) finishes.

Key Features

- 36° beam angle
- 3CCT (2,700, 3,000, 4,000K)
- High CRI Rating of 90+
