Recess Mounted LED Emergency 'ALL IN ONE'

Non-Maintained 3W-D32 3X3W-D63 exceptional D32-D63 classifications. Complete fitting including built in inverter, batteries and head making installation simple and easy. Designed to exceed brightness requirements whilst operation at very low power consumption. As stylish and efficient fully compliant emergency luminaire Easy and quick to install

KEY FEATURES

- Safety: Low battery voltage cut off to prevent over discharge and polarity reversal
- Construction: High impact injection moulding with Fire retardant
- Standards: AS2293-2005
- Power consumption:<1.5W
- Charger: Regulated variable rate. Low battery cut-off
- Battery: High Powered Nickle Cadmium (NiCad) High Temp
- Mounting: Recessed
- Dimensions: H:90mm Diam:90/145mm
- Charge Monitor: Green LED
- Test: Micro switch external
- Class: II
- Warranty 2yrs
